## Language Awareness for Key Stage 3 3: Writing and Sounds

## Activity 1:

In groups, make a list of all the languages you know that use a different alphabet from English. For each of these other alphabets, how many languages do you know that use the same alphabet?

Language

## Activity 2:

In groups, make a list of all the accents you have seen in addition to the acute < > and grave < >. Show as much as you can about the languages that use these accents and the letters that they modify.

Accent	Goes on letters	Language(s)
