Language Awareness for Key Stage 3 8: Number and Gender

Activity 1:

Make a list of all the nouns you can find that make their plural without adding *-s*. How many different types can you find?

Singular	Plural	Difference

Activity 2:

In groups, take some time to think of any other languages that you might know. How many genders do these languages have? (Don't look at nouns like *man/woman* or adjective pairs like *male/female*. See if there are multiple forms of the same adjective (e.g. *good*), or look at pronouns, such as *him/her/it*) and determiners, such as *the/this/that*.)
