

# Language Awareness for Key Stage 3

## 18: Language Variation

### Activity 1:

Take some time to think about different varieties of English. What sorts of differences can you find?

- Differences in pronunciation (accent)?
- Differences in the words they use?
- Differences in grammar?

### Activity 2:

Take some time and try to make a list of any other languages you may know. Do you know of different varieties or dialects of these languages? If so, what are they called? What are some of the differences between them?
